FIRST CLASS MAIL

Honorable Stansfield Turner
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Adm. Turner:

We are now compiling information for the 16th edition of our Advance Locator. This pre-publication supplement to the Congressional Staff Directory is scheduled for distribution early in January.

Will you please have one of your aides look over the attached pages from the "Key Personnel in the Executive Departments" section of our latest edition and make any appropriate changes. Feel free to add any offices or personnel who are most frequently contacted by the Hill, other governmental agencies or departments, or the public. We are anxious to have the listing for your department exactly as you wish it.

Please do not hesitate in returning the information immediately for it takes several weeks for us to enter the data. If you wish to make additional changes after returning the listing, please have one of your staff call Bobbie Rogers at 836-7500. We will be able to make changes for the Advance Locator until December 20, 1977. You will be given an opportunity to update this listing early next year for publication in the 1978 Congressional Staff Directory.

As a result of the cooperation of our friends in the Government and on the Hill, our directory has grown until it is now recognized as an authority and used widely by government, the legal profession, industry, radio, TV, the press and colleges. More than 8,000 libraries now make this directory available to readers as a reference.

Thank you for your help and cooperation.

Sincerely,

Charles B. Brownson
